I wish to take this opportunity to offer an apology to Reza Ganjavi for statements I have posted in the past that have crossed over the line. Some of these statements were made in an attempt at humor without regard to what impact it would have on Reza. Some were in response to postings that at the time I thought were done by Reza, and I now find out that someone had used Reza's name and email to make those postings fraudulently. For any statements that Reza took offense or exception to I apologize. Reza and I have settled the matter, and will not comment on it presently beyond this statement.
